**Notes:**

- (1) The freight rebate specified on Page 1 of AWH's Schedule of Service Charges is automatically credited to dumping clients for bales stored in and subsequently dumped by AWH at the Yennora, Brooklyn, Gillman and Spearwood sites.
- (2) Container rates listed are base rates only. All rates are subject to a fuel levy which may vary from time to time.
- (3) At Spearwood, an additional \$1.05 per bale will be levied for cartage to the Kewdale rail terminal.
- (4) A full container transport charge will apply to any 20' or 40' container loaded where total dumped units comprise less than 50% of total bales packed.
- (5) The consignment rework charge is applicable to all bales that require physical rework (retrieval from stacks, re-sorting etc.) after the wool has been received at an AWH dumping facility.
- (6) Farm bales received into an AWH facility for dumping/packing but which are subsequently re-directed for delivery offsite by the Customer will incur a re-direction handling fee and storage charges.
